# The library of the future is within your grasp.

Compact discs are unequalled in their capacity for information storage. The extraordinary advantages of CD-ROM are now available from EBSCO Subscription Services through our new division, EBSCO Electronic Information.

***A world of information in the  
palm of your hand.***

Through EEI, EBSCO develops, markets and provides subscription

services for a comprehensive range of CD-ROM databases. Because it's EBSCO, you can depend on easy ordering, updates and renewals.

***EBSCO makes it easy.***

EBSCO simplifies the purchase and use of CD-ROM technology. We offer the complete system including hardware, or the product compatible with your existing system. All your service needs can be met with a single toll-

free phone call to EEI.

Call EBSCO today for the technology and the service that will take you into the library of the future.

## the Science Citation Index® 1980-1984 Cumulation...

### Uncover Great Savings!

Discover great savings on your purchase of the *SCI*® 1980-1984 when you trade in your corresponding *SCI* annuals. You'll receive a credit of \$600 for each annual returned—for a savings of up to \$3,000 off the list price of \$25,000! And, if you're an *SCI* Library Grant subscriber, you can purchase the *SCI* 1980-1984 at your usual grant rate.

Now...with the *SCI* 1980-1984 Cumulation...you'll uncover over 38,000 source items and nearly 500,000 cited references not found in the corresponding annuals. So you get access to a total of 3 million articles and over 43 million citations!

In addition, you get these special features:

- Improved readability—because the type size in the *Citation Index* is enlarged 25 percent!

- Five years of information in one source—with only *one* look-up, you'll save many hours of valuable time!

To receive further information, simply fill out and mail the coupon below.

YES, I'd like to receive further information on the *Science Citation Index*® 1980-1984 Cumulation.

# **The Boston Public Library Research Library Catalog File 1843 - 1986 On Microfiche**

## **Dedicated to the Advancement of Learning**

The Boston Public Library Research Library Catalog File is one of the world's great research and reference collections. It includes over two million items for books, manuscripts, fine prints, maps, sheet music, newspapers and periodicals in a multitude of languages.

Testimony to the depth and scope of the Research Library Catalog are the scholars who are drawn to the Boston Public Library from every part of the world and the numerous inter-library loan requests from all 50 states and many foreign nations.

Advanced Library  
Systems, Inc.  
93 Main St.,  
Andover, MA 01810 USA  
(617) 470-0610
